

# The Friday Club : Programme : October to December 2024

[www.friday-club.org.uk](http://www.friday-club.org.uk)

## CHAIRMAN'S MESSAGE

Unfortunately this Programme has numerous blanks, including some whole weekends (albeit around the Christmas period). Also, in this as in previous Programmes, some members are doing more than is required of them to fill the gaps. Whilst they do it without complaint, is unfair on them, and they may eventually tire of doing so. All members are required to arrange 2 events per year and, by and large, most do manage to do this. We currently have 36 members so should be able arrange at least one event every weekend, sometimes two. Obviously from time-to-time illness and infirmity will preclude some members from playing their part. However, if you haven't done your two events in the past 12 months please see if you can arrange something to fill one of the Blanks, and let Dave know. Next year we celebrate our 50th anniversary, but without a full and interesting Programme attracting new members is difficult. We have lost a lot of members over the past few years, something that we must rectify if the club is to succeed in the future.

Rikki.

Monthly Friday Social Evenings (at 7pm)				
<p>To make Friday Evenings more attractive, and to create a regular event at which to introduce new members, these events will now take place on the first Friday of each month. They will be held at a pub restaurant (hopefully we can rotate through five or six different establishments in our area), where a space and tables can be set aside for us, and we can also enjoy a snack. Bookings should be made, ideally, no later than seven days before the event. A WhatsApp Group has been set up for those members who wish to carry on playing snooker at The Lakeside on the other Fridays.</p>
